

Who We Are

The Syosset Camera Club, founded in 1972 is a society of men and women of all ages and experience levels.

Our members have a common goal – to learn the skills of photography and to help others enjoy the satisfaction of this fulfilling hobby.

Our membership is open to all and thanks to Zoom, has no geographic limits.

Our dues are:

Regular member	\$55
Family member	15
Student	5

Special rates for new members joining mid-season

The Syosset Camera Club and you

As a member of the SCC you will:

Improve your knowledge of photography and improve your photographic skills

share what you have learned with like minded enthusiasts

Have your work judged and critiqued by PFLI accredited judges.

Learn through classes for beginners, intermediate or advanced workers

Attend presentations by outside speakers and photographers as well as our own members, covering all subjects of photographic interests

Participate in exhibitions and other events

Receive a monthly newsletter with current events and how to articles

Our schedule has not been curtailed by the pandemic. We continue to meet via Zoom and to enjoy scheduled field trips.

Participate in Photographic Federation of Long Island events

Meetings are three Thursdays a month. Post pandemic, we will resume in person meetings in our comfortable and convenient facility in Haypath Park.
